RIVER INTELLIGENCE.

RIVER AND WEATHER - Navigation be

inch at Louisville and four at Shrever Eight feet is reported at Reeve's bar Rock and all points on the Arkansas river. Mr. John W. Williams is chief clark......The new and fine passenger steamer Thomas Deen, in command of Funeral Undertakers,

at ten o'clock when Mr. Edson, the junior of the firm who manufactured which were critically questioned by Messra. Shellabarger, Negley, Conger, Lynch, Sheldon and Towneend. The truth is that Mr. Edson made out a very poor case, and could only name one steamer on which the gauge had been tried. A prominent gentleman observed, at the close of Mr. Edson's remarks, that "if rope enough was given that patent man be would hang himself and his machine." The committee called upon Mr. Copeland to answer Mr. Eisen, on behalf of the steamboatmen, and that gentle-man's remarks were brief, but full of practical illustrations of the worthles ness of this class of gauges to preven accidents, which was the purpose and in tent of placing any ateam-indicating sp paratus on the boilers of steamers. By Telegraph.

To misest's southers agent.

The gentleman who looks after Tom Scott's interest in New Orlean Blustrates to the wisdom that great men sometimes to the windom that great men sometimes to the pennsylvanis road and its numerous activation. During the summerous at Washington, During the administration of Mr. Johnson, Walling ton was connected with the Washington men cases satisfies with the washington men cases satisfies with the same and several person who crowd Boath's regret in the world was a worked stead and the same trained with the services for the same and the same trained with the same trained to go into oyster-showing fallows. The same trained to go into oyster-showing fallows the fallows the same trained to go into oyster-showing fallows the fallows the same trained to go into oyster-showing fallows. The same trained to go into oyster-showing fallows the fallows the same of look with a same trained to go into oyster-showing fallows. The same trained to go into oyster-showing fallows the fallows the same trained to go into oyster-showing fallows the fallows the fallows the same trained to go into oyster-showing fallows the fallows the same trained to go into oyster-showing fallows the fallows the same trained to go into oyster-showing fallows the fallows the same trained to go into oyster-showing fallows the fallows the same trained to go into oyster-showing fallows the fallows the same trained to go into oyster-showing fall which will be semi-dramatic. This troupe of the runners and baggage-masters, who formed that negotiations are pending for a partial consolidation of this road with the Tennessee Central, so as to use one common track, by means of a third rail, from Cane creek to Fulton. Dr. Less proposes that if the D, B, and D company ment band have been resumed. The Fabri opera troupe are at the Stadt theatre. A series of chamber concerts has been projected by Dr. Leopoid Damrosch and Herr Pruckner. S B Mills, the planist, has returned to the concert-room. The arrangements have been consummated by which Madame Parepa Rosa, Herr Wachtel, and Mr. Santley will appear together in Tia
their eyes to the work of robbery going on. A single incident will illustrate the modus operandi: A farmer with a wife and several children started from the interior of Tennessee, on the Memphis chamber of commerce furnishes us the following list of steamboats and tonnage owned in the district of Memphis, returned by the United States local inspector of indicators friends bought a through-licket to Little Rock, and had his bargage. Lauderdale has long been without railroad facilities, but if the enterprises at
present on foot are successfully carried
out, we will soon have railroads traversing
every portion of our county and making
its rich lands at all sessons of the year
accessible to the markets of the world
and trebling them in value. We bid them
all God speed, for we cannot have too
may of these great developers of a counity.

Tennessee Central Baltroad.

At a meeting of the directors of this
road, beld at Ripley on the 23d instant,
the following order was made:

Madame Parepa Rosa, Herr Wachtel, and
Mr. Santley will appear together in Italian opera in April. In the meantime Madame Parepa Rosa, Herr Wachtel, and
Mr. Santley will appear together in Italian opera in April. In the meantime Madame Parepa Rosa, Herr Wachtel, and
Mr. Santley will appear together in Italian opera in April. In the meantime Madame Parepa Rosa, Herr Wachtel, and
Mr. Santley will appear together in Italian opera in April. In the meantime Madame Parepa Rosa, Herr Wachtel, and
Mr. Santley will appear together in Italian opera in April. In the meantime Madame Parepa Rosa, Herr Wachtel, and
Mr. Santley will appear together in Italian opera in April. In the meantime Madame Parepa Rosa, Herr Wachtel, and
Mr. Santley will appear together in Italian opera in April. In the meantime Madame Parepa Rosa, Herr Wachtel, and
Mr. Santley will appear together in Italian opera in April. In the meantime Macall into April. In the meantime Madame Parepa Rosa, Herr Wachtel, and
